You are invited to attend our workshop if you:

- Live in the area surrounding the Imperial College White City Campus in West London (W10, W11 and W12)
- Are over 18 years old

Further details:

- Taking place via Teams (computer or phone)
- After an introduction, attendees will be invited to ask any questions and share their views and ideas as to how best we can engage with the local community in our indoor air pollution study
- Attendees will be paid for their time £42.50

**Imperial College
London**
