PEEP Flowchart

Has the student/guest declared any Medical/Welfare issues?

Yes

No

Is it an issue that means the student/guest may require assistance evacuating the building in an emergency? This could include
- Sight impairments
- Hearing impairments
- Mobility impairments
- Neurodiverse impairments

Yes

PEEP Required

Meet with the student/guest and go through the PEEP form to discuss and create a safe method of egress in an emergency. Follow all instructions on form to complete and store it correctly.

No PEEP required

No

Unsure

Contact student to discuss and decide if PEEP is required.

Yes

No

Has the student/guest developed a condition (which could be a temporary injury) that affects mobility, sight, hearing or cognitive function?
