Tuesday 2 July 2024

Welcome

Welcome to the annual Staff Recognition Awards and Imperial Garden Party.

On this special occasion we recognise and celebrate staff and students, who have been nominated by their peers, for their exceptional contributions to Imperial.

It's a joy to honour the recipients of the President's Awards for Excellence, the Provost's Awards for Excellence, the Julia Higgins Awards, the Garden Party nominees and the Student Union Awards. Thank you to everyone who took the time to nominate a colleague or team.

Our nominees embraced new challenges, generated and applied new knowledge and technologies, championed our values and provided excellent service. As you read their achievements in this booklet, we are sure that you will be as impressed as we are by the many ways they make Imperial an inspiring place to study, a rewarding place to work, a great collaborating partner, and the world-changing institution it is.

Thank you to our Student Ambassadors

The extraordinary students who take on the responsibility of becoming Student Ambassadors are an essential part of the Imperial community. Our ambassadors represent the College at Open Days, lead on campus tours, greet delegations of international visitors, blog about their experiences and give student life talks in schools. They help us to connect with visitors and inspire our future students.
