Freedom of Information Act request, Students over the age of 50, IMPFOI-23-001, Imperial College Response

Please see the table below for information on the total number of students and number over 50 by the type of programme studied (where a student over 50 is enrolled on the programme). We are unable to break the information down further by age group (60s, 70s, etc.) because, due to the low numbers involved, this could enable the identification of individuals. Additionally, Figures of five or fewer, have been removed from the figures provided for the same reason. Information is exempt from disclosure under the Freedom of Information Act, Section 40(2), if it is personal data and releasing the information would breach one of the data protection principles contained in the UK General Data Protection Regulations.
