

# GET CREATIVE

## 15 QUICK ACTIVITIES

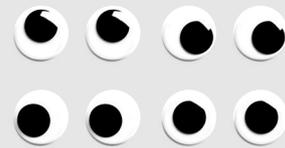

At home, you might have some of these creative materials:

Playdoh

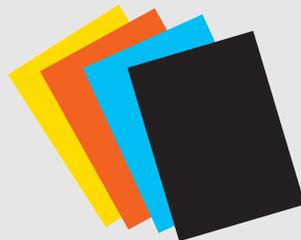

Pipe cleaners

Googly eyes

Colouring pens

Coloured card

Scissors

Glue

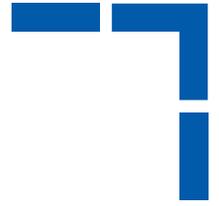

Wooden rods and wheels

Tape

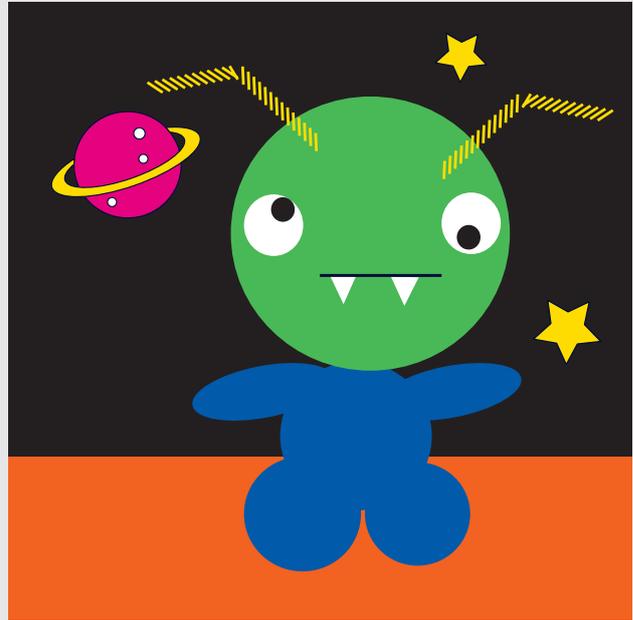

These materials will come in useful for some of these activities, but there's lots you can do with paper, pencils and even bits and pieces from your recycling box at home! Here are 15 ideas to help you get started!

## → IDEA 1 CREATE AN ALIEN!

Use **pipe cleaners**, **googly eyes** and **playdoh** to make an alien! You could use bits of card too. You could draw a planet for your alien to live on a piece of card.

---

## → IDEA 2

Use **wooden rods** and **wheels** to make a racing car. You could use a plastic bottle or a cardboard box to make the body. Stick on extra shapes with **tape**.

---

## → IDEA 4

Write a letter to your future self. What would you want to tell yourself in the future?

---

## → IDEA 3

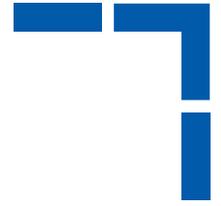

Why not set yourself a challenge to do one drawing every day? Use colouring pens to make it colourful.

---

## → IDEA 5

Instead of drawing, use **scissors** and **coloured card** to cut out shapes and use a **glue** to stick them to paper. This is called a collage.

---

## → IDEA 6

Draw your favourite animal and draw it where it lives in the world too. You could use **colouring pens**, or make another collage.

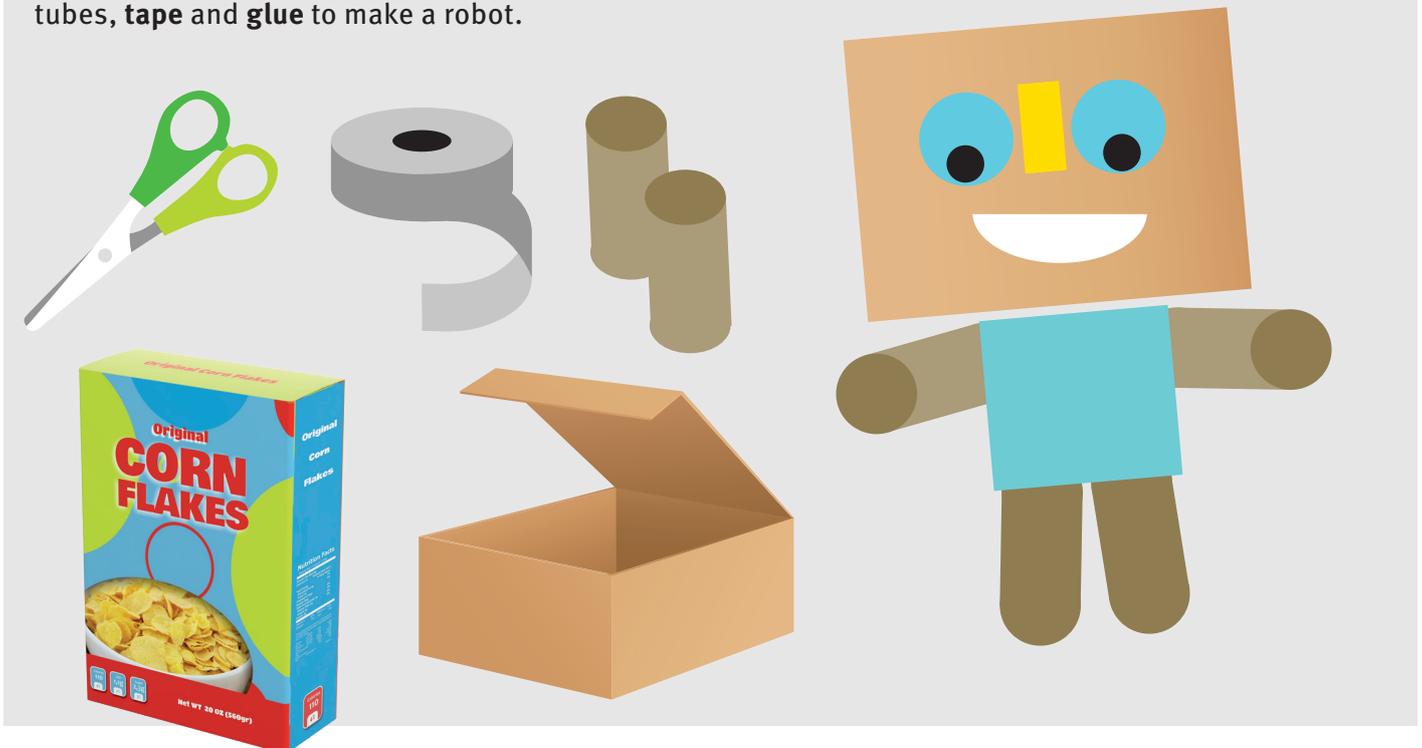

---

## → IDEA 7

Imagine life in 1000 years time. Draw what London might look like. If you want you could write a story about it too.

## → IDEA 8 BUILD A ROBOT!

Build a robot! Use cardboard boxes, toilet roll tubes, **tape** and **glue** to make a robot.

---

## → IDEA 9

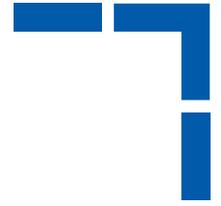

Collect some clean recycling, like old plastic bottles and cardboard boxes (no sharp cans!) and build the tallest tower you can.

---

## → IDEA 10

Make some creepy crawlies using **pipe cleaners** and **googly eyes**, or stick toilet roll tubes together to make a slippery snake!

## → IDEA 11

Write a story or draw a cartoon where you are a super hero. What will your powers be? You could colour in your cartoon with **colouring pens**.

## → IDEA 12

Make the best **paper** aeroplane you can and challenge your family to a fly-off!

## → IDEA 13 BUILD A CASTLE

Use a cardboard box, toilet roll, **scissors** and **tape** to make a castle. Maybe you could also try our Biting Dinosaur activity sheet to make your own dinosaur to attack your castle?!

## → IDEA 14

Draw some animals and **tape** them to the end of wooden rods or some pencils. Make a puppet show for everyone.

## → IDEA 15

All this making is tiring, don't forget to take a **break and relax** from time to time.
