THE GREAT EXHIBITION ROAD FESTIVAL

Join us to support this year's **Great Exhibition Road Festival!** This free, annual celebration of art and science takes place across the weekend of 15 and 16 June.

This exciting annual celebration of science and the arts is a collaboration between Imperial and our cultural partners including the Science Museum, Natural History Museum, V&A and the Royal Albert Hall. Thousands of visitors attend each year to engage with our world-leading science and experience the arts in unique ways. But none of this would be possible without our Imperial community coming together to help make it happen.

As a volunteer, you will help with the smooth running of the event, from being on hand to answer visitor queries, to supporting stall holders and our exhibitors in their activities. Full training is provided and it is an invaluable opportunity to make new connections and truly be part of something great.

This year's theme is **"Flourishing"** and our Festival will be brimming with activities, performances and tours all exploring how the combination of science and the arts help us and the world around us flourish.
