

Guidance for completing your ATAS certificate – for 2024 offer holders.

You will need to apply for an ATAS certificate from the Foreign and Commonwealth Office if this is part of your offer condition.

Information on how to apply for ATAS is available at: [Academic Technology Approval Scheme \(ATAS\)](#) - GOV.UK (www.gov.uk)

Further information on applying for ATAS, from the International Student Support Team including FAQ's and guidance can be found here: [ATAS | Imperial students | Imperial College London](#).

Please refer to this before you start your application.

You apply for an ATAS certificate at: [Check if you need an ATAS certificate \(academic-technology-approval.service.gov.uk\)](#)

When starting your application will you need to:

1. Enter your CAH3 code: **CAH10-03-02: materials technology**

If you need any assistance with this application, please contact the International Student Support Team at international@imperial.ac.uk. As a department, we do not have the expertise to assist you further.

Before starting your application, you should be aware that your ATAS clearance will be assigned to your passport number. Therefore, if you intend to change / renew your passport before the start of your course, you may need to reapply for ATAS clearance. We recommend that if you anticipate changing or renewing your passport after the ATAS deadline, that you still apply for ATAS now to fulfil this deadline and reapply for a new ATAS when you have renewed your passport. If you can renew your passport before applying for ATAS and still meet the deadline, that will be preferable and save you the trouble of applying twice.
