BPES VS I-Explore

Business for Professionals of Engineering and Science
You are permitted to take a maximum of TWO BPES modules as electives. These count towards your three electives.

A compulsory CORE pass/fail module for ME3 students.
It is integrated into your degree. You take ONE I-Explore module.

BPES modules run for **one term** - either Autumn *or* Spring

Modules available as electives to Mech Eng students are:

I-Explore modules can run for **one term** - either Autumn *or* Spring
OR for **two terms** - both Autumn *and* Spring

Timetabled Lecture		Online
Business Economics	or	Managerial Economics
Entrepreneurship	or	Entrepreneurship Online
Finance and Financial Management	or	Corporate Finance

Modules that run for one term	for two terms
Multidisciplinary Project	Imperial Horizons Modules
BPES	
STEMM	

Please note

A similar selection of BPES modules are available to choose as your I-Explore module.

You may choose a BPES module as an elective and for your I-Explore module.

All elective BPES modules are credited.

If the BPES module is stated as online it does not have a timetabled lecture

Some I-Explore modules will be available as 100% online

Please note

You should have **six** I-Explore Modules in mind when you apply.

It is **not permitted** to take the same module as your BPES elective and as your I-Explore module.

It is **not permitted** to take 2 modules scheduled for the **same time** during the **same term**.

If there is a clash between your BPES module and your I-Explore module you *must* either:

Withdraw from your BPES elective

or

Request to transfer to the BPES online version (subject to availability)

Can I apply for the same module as an I-Explore module and a BPES module?

- You *may apply* for the same module via the BPES application and your I-Explore application.
- There is *no guarantee* your application will be successful via either method.
- If you *are* successful via both methods, you will need to withdraw from one and sign up to a new module towards the start of term.
