Landing page

- The landing page will be the first screen that respondents see on navigating to www.reactstudy.org/antigenReg (the URL contained in the invitation letter)
- The landing page will show some welcome text, and will include the following features and design elements, from top to bottom:
 - DHSC and IM logos
 - Survey title (COVID-19 testing research study)
 - Intro text and information on how to answer
 - Access code box, with text “Please enter the access code from your letter” and “Start survey” box
 - The following links:
 - [About Ipsos MORI¹](#)
 - [Privacy Policy²](#)
 - [Contact us³](#)
 - [FAQ⁴](#)
 - No progress bar should be shown to respondents.

Before we begin, we would like to inform you that Ipsos MORI is a member of the Market Research Society. All information will be kept confidential by Ipsos MORI and approved Imperial College London staff and researchers.

Taking part is voluntary and you can change your mind at any time.

If you would like to read our Privacy Policy, you can access it at www.ipsos.uk/covid-swab-privacy. This explains the purposes for processing your personal data as well as your rights under data protection regulations to access your personal data, withdraw consent, object to processing of your personal data and other required information.

NOTE TO SCRIPTERS:

There are 3 groups corresponding to Mail_Grp i.e. u_mail_grp

RESPCHK

Are you willing to take part in this study?/Are you willing for your child to take part in this study?

Taking part is voluntary. If you agree we will send you a COVID-19 self-testing kit. The test involves taking a swab of your/your child's nose and throat. We will provide full instructions with the kit. There is no obligation to take the test if you agree to be sent it.

Once you have done the swab, the kit will be collected and taken to a laboratory. You will be informed of the result of the test.

We would also like you to complete a short questionnaire as well as doing the swab test, collecting information about [you/your child] and [your/their] current health status.

The results of the swab test will be linked to your questionnaire answers. All questionnaire information will be kept confidential by Ipsos MORI, and approved Imperial College London staff and researchers. Nobody will be able to identify you in any published results. We will send more information with the test, and you can withdraw from the study at any time. Please note that a small number of people who register to take part may not be included in the research and will be informed of this.

If your/the test is positive (suggesting that you/your child currently have/has COVID-19) we will inform NHS Test and Trace so that they can contact you. For information about NHS Test and Trace please visit www.gov.uk.

1. Yes, I want / my child to take part in this study
2. No, I do not want / my child to take part. (TAKE TO FEEDBACK PAGE 2)
