Landing page

- The landing page will be the first screen that respondents see on navigating to www.xxxxxxxxxx (the URL contained in the invitation letter)
- The landing page will show some welcome text, and will include the following features and design elements, from top to bottom:
 - DHSC, Imperial College London and IM logos
 - Accessibility options (three icons to vary the font size, and options to vary the background colour, example below). Respondents will have the option to vary these but will not be required to make any choices.
 - Survey title (COVID-19 home antibody testing research study)
 - Intro text and information on how to answer
 - Access code box, with text “Please enter the access code from your letter” and “Start survey” box
 - The following links:
 - [About Ipsos MORI¹](#)
 - [Privacy Policy²](#)
 - [Contact us³](#)
 - [FAQ⁴](#)
 - No progress bar should be shown to respondents.

Before we begin, we would like to inform you that Ipsos MORI is a member of the Market Research Society. All information that you give us will be treated in the strictest confidence.

Taking part is voluntary and you can change your mind at any time.

If you would like to read the Covid-19 Home Antibody Testing Study Privacy Policy, you can access it at [XX LINK]. This explains the purposes for processing your personal data as well as your rights under data protection regulations to access your personal data, withdraw consent, object to processing of your personal data and other required information.

¹ <https://www.ipsos.com/ipsos-mori/en-uk/about-us>

² This will be a privacy policy unique to the survey. It will be on the Imperial College London website, and will make reference to GDPR. and this link will take respondents directly to it. The URL will also be included on the survey materials (again, following the protocol for the main survey).

<https://www.imperial.ac.uk/medicine/research-and-impact/groups/react-study/>

³ This should launch an email to the survey email address (UK-covid-test-research@ipsos.com)

⁴ These FAQ will expand on those included on the reverse of the invitation letters.

RESPCHK

Are you willing to take part in this study?

Taking part is voluntary. If you agree and are selected for this study, we will send you a COVID-19 self-testing antibody kit which involves pricking the tip of your finger to get a blood spot for testing.

Please note that it is possible that we will not be able to include everyone who offers to take part. We will let you know if we cannot include you. If you are selected to take part, we will provide full instructions with the kit. After receiving the testing kit, you are still able to change your mind about taking part.

Once you have done the test, we would also like you to complete a short questionnaire, that will ask you to record your test result and any COVID-19 symptoms you may have had in recent months.

This information will be kept securely and only data without personal identifying information will be shared beyond the study team.

We will send more information with the test, and you can withdraw from the study at any time.

1. Yes, I want to take part in this study
2. No, I do not want to take part. TERMINATE (TAKE TO THANK YOU SCREEN)
