

1. Check if you can take part

If you have been invited to take part in the REACT-GE and GenOMICC COVID-19 studies, please answer the following questions so that we can check if you are able to take part.

1. What is your REACT ID?

(Free text, 8 characters)

Text box for information: If you did not receive a letter to take part in the REACT-GE and GenOMICC COVID-19 studies

Thank you for being so keen to help, but our studies are currently invitation only. You are very welcome to register your interest in the GenOMICC COVID-19 Study through this *form* [[link to reg of interest survey](#)] or keep up-to-date on our progress by signing up to our e-newsletter [[link to MailChimp sign up](#)].

CTA: Continue

2. Check if you can take part (cont.)

1. You have been invited to join this study because you tested positive for COVID as part of the REACT study. This may have been for virus, antigen or antibody detected through a swab, saliva, finger prick or blood test. If you wish to enter this study please click 'yes' below and answer the questionnaire."

- Yes
- No [go to section 13 'Thank you for your interest' page on continue]

2. When did you receive your first positive test result? Please input your best guess if you are not sure.

- Date input field – past only

3. What type of COVID-19 test was this?

- I had a blood sample taken
- I had a swab test
- I had a finger-prick test
- I had a saliva test
- I had another type of test [free-text]
- I have not had a test – [go to section 13 'Thank you for your interest' page on continue]

Note: if you have had a home fingerpick test please click "I had blood sample taken"

4. When did you first suspect you had COVID-19? Please input your best guess if you are not sure. If you did not suspect that you had COVID-19, please leave this blank.

- Date input field – past only

- No *[go to question 22]*

CTA: Continue

10. Your treatment (cont.)

20. Were you admitted to intensive care?

- Yes
- No

CTA: Continue

11. Before you finish

By clicking the 'Finish and Sign Up' button, you agree for Genomics England to store your personal information. We will transfer some of your data to our sample collection partner MSS to book and conduct an appointment with you to collect your samples. Your data will be de-identified and shared with our research team when they analyse your genome. Please click 'Finish and Sign Up' to agree to this use of your data.

Find out more about how we use your data in our Privacy Policies [[link to REACT-GE page](#)]

CTA: Finish and sign up [*go to 13 "Thank you for signing up to take part"*]

12. Thank you for your interest in these studies

Unfortunately, we can't include you at this time.

We are currently only able to accept people who have been **invited directly** by Imperial College London through the REACT programme, who have received a **positive antibody test for COVID-19, are over 18 years of age and are based in the UK.**

If you believe you do now meet these criteria, please do apply again.

If you would like to keep in touch with us about the GenOMICC COVID-19 Study's progress and updates on COVID-19 related research, please sign up to the GenOMICC-Genomics England e-newsletter here *[link to MailChimp]*

You will be asked to confirm your subscription to this newsletter by email. We use a **third-party** provider, MailChimp, to deliver our newsletters. Please read our [privacy policy](#) for further information on how we handle your data. You can unsubscribe at any time using the 'unsubscribe' link in the emails we send.

13. Thank you for signing up to take part in the REACT-GE and GenOMICC COVID-19 studies

We have now received your information and our sample collection partner, MSS, will be in touch soon to arrange an appointment with you at a local test centre.

If you would like to keep in touch with us about the GenOMICC COVID-19 Study's progress and updates on COVID-19 related research, please sign up to the GenOMICC-Genomics England e-newsletter here *[link to MailChimp]* Please note it is not essential for you to sign up to the newsletter and appointment updates will be sent separately by SMS.

You will be asked to confirm your subscription to this newsletter by email. We use a **third-party** provider, MailChimp, to deliver our newsletters. Please read our [privacy policy](#) for further information on how we handle your data. You can unsubscribe at any time using the 'unsubscribe' link in the emails we send.

If you have any questions about taking part in the study, please contact the genomics England service desk on 08082819535 or contact us through our website *[hyperlink to service desk portal]*

Thank you again for signing up, we really appreciate your support.
