Evaluation of Candidate Application

1. *Fit to AI in Science Remit* (Details here under remit)

2. *Career Opportunity for the Fellow*

3. *Promise of the Research Proposal*

4. *Contextualization for what is a typical track record to expect for a researcher at this career point in a national context.*

5. *Further Comments*

We are pleased to support the application of the candidate for an AI in Science Global Faculty Fellowship supported by Schmidt Sciences. We understand that the candidate will visit Imperial for 12 months and then upon return will have no teaching responsibilities for the year of their return.
