

Imperial College
London

Centre for Process Systems Engineering

Seminar Series 2012

Prof. Olaf Wolkenhauer
University of Rostock

**Multi-levelness as the final frontier
of the life sciences**

26 October

Prof. Julia Yeomans
Oxford University

**Modelling drops on micropatterned sur-
faces**

9 November

Prof. Denis Dochain
U C Louvain

**Automatic control and biological systems:
a long quiet river?**

30 November

Prof. Jan Willems
K.U. Leuven

Modelling interconnected systems
Date TBC in 2013

3PM, CPSE Seminar Room, RODH C615, Roderick Hill Bldg
Chemical Engineering Department
Imperial College London, South Kensington Campus, SW7 2AZ
