## Recruiting technical staff?

### Advertise for free on the NTDC website

As an Affiliate Member of the [National Technician Development Centre](#) (NTDC), Imperial is entitled to post technical job adverts on the NTDC website **at no cost**.  
[Contact Kirsty Parkin](#), NTDC Marketing, Communications & Administration Officer, directly.

## HEaTED Recruitment Website

Remember that as a HEaTED member, Imperial can also post jobs opportunities for technicians on HEaTED's website at the discounted rate of £60 (for an eight-week posting).  
Contact [Ailish Harikae](#) or the [Recruitment Hub](#) for details.

- **RSC Members: Technician Skills Development Grant**
  - Applications are open now for the Royal Society of Chemistry's [Technician Skills Development Grant](#), which supports technicians working in all sectors to undertake short to mid-term visits to organisations overseas or within their current country of residence, with the aim of developing skills to support career progression.
  - Grants of up to £7000 are available. [More information](#)

Imperial College  
London

# **Presentation: Sustainability**

## **Professor Paul Lickiss**

---

## Coffee Break

## Group discussion 1

**How can technical managers influence sustainability matters in their own areas?**

*For example, water, gas and power consumption, efficient and intelligent procurement, etc.*

## Group discussion 2

**What stops us from being more sustainable?**

---

*Thank you for your attention!*
